

Learn from the best.

AACSB accreditation guarantees your school has met the highest standard of excellence for business programs.

Build Your Future

AACSB-accredited schools develop business leaders with higher earnings potential and greater career mobility than graduates from non-accredited schools. Graduates are sought after by top employers. Prepare to aim high and excel throughout your career journey.

Reach Your Full Potential

AACSB-accredited schools are leaders in research, curriculum, and advanced learning programs, ensuring that you receive the highest-quality business education with the knowledge and high-demand skills that employers and society need.

Be a Changemaker

Beyond gaining business skills, AACSB-accredited schools help you explore your purpose and grow your network for a positive impact on society.

72% of alumni from AACSB accredited schools agree their graduate business education offered them opportunities for quicker advancement.

“Choosing an AACSB-accredited business school provides me with many advantages and opportunities for my academic and professional development. The excellent faculty and high-quality education are fully reflected at the **International Business School, Beijing Foreign Studies University**. The international reputation of AACSB accreditation has laid a solid foundation for my future study abroad.”

Li Yingyang, Class of 2025

“AACSB accreditation was a pivotal factor in my decision to attend **Nova School of Business and Economics and Emory University**, distinguishing them from other institutions. This consistent exposure to excellence across accredited institutions uniquely positions me to enter the global business arena with a robust and versatile skill set.”

Allegra Baumanns, Class of 2024
